Interreg Co-funded by the European Union

NEXT Romania – Moldova

Press release: Signing of the Grant Contract for the project ROMD00075 – HEALTHCARE

"Healthy system for population healthcare"

On the date of 30.07.2025, we signed the grant contract of ROMD00075 – HEALTHCARE "Healthy system for population healthcare" project.

The project is financed by the European Union through Neighbourhood, Development and International Cooperation Instrument (NDICI), through **Interreg NEXT Romania-Republic of Moldova 2021-2027**, Programme Priority 2 – Social Development across Borders, Specific objective 2.2 - Ensuring equal access to health care and boosting the resilience of health systems, including primary health care, and promoting the transition from institutional to family and community based care.

The project general objective consists in improving the joint response to emergency situations in the cross-border area by providing intervention equipment and organizing joint workshops in the field of medicine.

The project partnership is formed by the following institutions from Romania and Republic of Moldova:

- Lead Partner: General Inspectorate for Emergency Situations from Romania;
- Partner 2: Ministry of Internal Affairs from Romania;
- Partner 3: Departmental Public Medical-Sanitary Institution "Medical Service of the Ministry of Internal Affairs" from Republic of Moldova;
- Partner 4: "General Eremia Grigorescu" Inspectorate for Emergency Situations of Galati County.

The implementation period of the project is **31.07.2025 – 30.07.2027.**

The total budget of the project is 1.554.454,52 Euro, of which non-reimbursable financing 1.399.009,06 Euro.

The project addresses the cross-border area between Romania and Republic of Moldova, with the following **results**:
- Rehabilitation and provision of medical equipment for the emergency room of the departmental public medical institution "Medical Service of the Ministry of Internal Affairs" from Republic of Moldova;
- Enhancement of training capacity through the purchase of intervention equipment;
- Organization of 6 joint workshops in the field of medicine.
